Pastor Al Kirkbride

REFLECT AND DISCUSS

Warm-up. Go around the group and share a word that best describes your stage of life. Expand on why that word, if you wish.

Read Ephesians 2:10, 1 Peter 4:10-11, Romans 12:3-8

Pray God Blesses Your Study!

1. What is the difference in the way Paul talks about our view toward ourselves (Romans 12:3-5) and the way the world or friends understand "self-esteem"?
2. Ephesians 2:10, God says that He created us in Christ Jesus for good works. What does that mean? What might 'good works' include? Is He just interested in works? What is needed so that they become good?
3. On your death bed, what do you want people to say your contribution to the church was?
4. 1 Peter 4:10, states, "...as good stewards of God's varied grace." What does that mean in the context of this passage?
5. You may have done the S.H.A.P.E class. Can you recall what your Spiritual Gifting, Heart, Abilities, Personality, and Experience are? Would you be able to share what your purpose is to the group?
6. Where are you today, right now, in your journey with God? Visit www.nmbc.ca/shape or scan the QR Code, to do a quick inventory of understanding what your purpose is as a Christ follower.
